There are three types of shipping labels on this page.

DIRECT TO SHOW SITE: If your shipment is addressed to arrive at the show site, make sure your carrier is aware of the appropriate arrival date(s). Fill in your company name and booth number, then make copies of the "DIRECT TO SHOW SITE" label. Attach a label, with piece count, to each piece of freight.

ADVANCE WAREHOUSE: If your shipment is addressed to the advance shipping warehouse, fill in your company name and booth number, then make copies of the "ADVANCE WAREHOUSE" label on this page. Attach a label, with piece count, to each piece of freight.

HANGING SIGN: If you have a sign or anything (truss, etc.) that has been approved to hang from the ceiling, send it to the advance shipping warehouse address. Hanging items must be identified and readily available since they are installed first, before the show floor becomes encumbered by freight.
